CRASH COURSE ON JESUS

The birth, life, death and resurrection of Jesus changed the course of human history. This study will reveal many truths about Jesus: It will also challenge you to follow him. The readings, activities and discussions will help men dig into scripture, engage in dialog and explore ways to apply the material in their lives.

BASIS

Do you have questions? Are you curious about God, Jesus, the Bible, Christianity? Basis is a seven-week small group experience where you can explore your questions in a conversational environment. Basis is a group for those who are curious, questioning or looking for a fresh start.

FAMILY

Family will help men accept their calling and experience God's blessing as the spiritual leaders to their wives and children. More than ever, families are desperate for spiritual leadership. Men, are you equipped for the role and responsibility God has for you? This small group study can help change not only the lives of men, but also the lives of their wives and children — and impact generations to come.

FRIENDSHIP

Learn how to build and benefit from friendships with godly men. Many men today act as if they don't need friends – and they are paying the price. Risking relationship is not easy for men, but it's a non-negotiable for God's man. When you stand with others who share your spiritual goals, you reach them faster. That's God's way.
