Bethel Church In-Network Counseling

A guide to assist in establishing a secure relationship with a local distinctly Christian counselor

WHEN YOU
GO THROUGH
DEEP WATERS,
I WILL BE WITH YOU.
ISAIAH 43:2

In-Network Counselors

When we go through traumatic experiences, grief, betrayal or recovery, it is sometimes overwhelming to determine a good fit for a therapeutic relationship. Our hope is to make the process smooth and care to be abundant. Each counselor has expressed their faith as being distinctly Christian and taken time to explain their counseling approach/modality, and areas of specialty. If finances are a barrier to care, consider speaking with the Healing and Recovery ministry about financial assistance.
