

BETHEL INTERNSHIP PROGRAM

Bethel Church
600 Shockley Rd.
Richland, WA 99352

Vision

Bethel Internships are designed to provide up to 12-months of exposure, experience and education to individuals who sense a call to ministry and desire intensive training within a local church environment.

Values

The holistic development of interns takes priority over their duties. We are more concerned with how interns grow through their experiences than what they can do for Bethel Church.

- Interns will have opportunities to grow their gifts, passions and leadership skills.
- Intern development will happen within community, on teams, and in proximity to leaders.
- While interns may serve primarily in one ministry area, interns will be exposed to a broad range of ministries and multi-site experiences.
- In an environment that's always moving, no week will ever look the same. In general, 80% of an intern's time will be devoted to his/her assigned department(s) and mentor. The final 20% of time will be spent in various weekly activities and assignments within the internship program.

Our Model

Internships focus specifically on three areas: **exposure, experience, and education**. Within these, three subsets will be covered. Alongside the intern, we will explore:

- + **Behind the scenes:** what happens behind the curtain of church ministry; the ins and outs
- + **Beneath the surface:** what growth, changes, and challenges are occurring
- + **Beyond our walls:** what it looks like to serve beyond ourselves; both now and in the future

Exposure

Experience

Education

Behind the Scenes

Discover the nuts, bolts and daily grind of church staff/ministry while serving in our church

Behind the Scenes

Learn the ins and outs of church-wide operations and decision making processes

Behind the Scenes

Engage in interactive teaching sessions locally and through "Simply a Pilgrim" to obtain optional graduate level credit

Beneath the Surface

Engage in one-on-one personal development with a Mentor

Beneath the Surface

Build leadership strengths and develop spiritual disciplines through ongoing ownership of ministry tasks

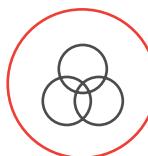

Beneath the Surface

Evaluate the call of ministry by learning directly from Bethel leaders and staff

Beyond our Walls

Serve in our local community with others from Bethel

Beyond our Walls

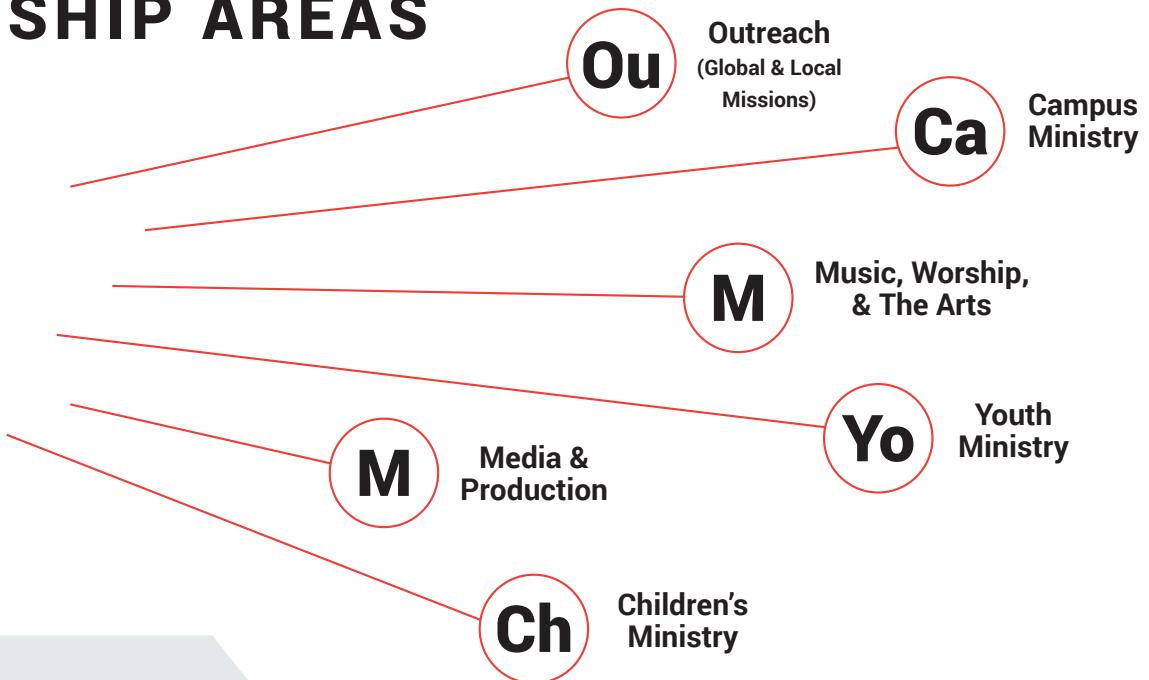

Tackle projects in a multi-site church environment in three unique and diverse communities

Beyond our Walls

Develop a deeper understanding of the sufficiency of Scripture, the cross, and the purpose of the Church as we help interns pursue "next steps" in life and/or ministry

INTERNSHIP AREAS

THE DETAILS

Bethel wants to help interns get here, because there shouldn't be anything that stands in the way of people pursuing God's ministry call.

01 Stipend

Interns will be paid \$600 per month to help offset living expenses such as gas, some food, phone, etc. Additionally, interns will receive a \$500 travel voucher that may be used for air, train, or fuel costs in traveling to and from Eastern Washington for August arrival, May departure, and/or December break. This voucher use is limited for travel only between the interns "home base" and Richland, WA.

02 Housing

Free housing is available for those who live outside the Tri-Cities area. Interns will stay in a host home or in one of our other available housing options. Additionally, host families will help with food costs.

03 Workspace

Interns will be provided an office space that includes a desk and a laptop computer. Interns may bring their own laptops/tablets for personal use.

04 School Credit

Seven transferable graduate level courses will be offered through "Simply a Pilgrim" ministry in conjunction with Summit University. These experience-based courses are often transferable to graduate level colleges and seminaries.

05 Transportation

The majority of the intern's responsibilities will require that he/she have a reliable form of transportation. If an intern doesn't have a working vehicle, options are available.

06 Eligibility

Bethel's internship program is open to anyone interested in pursuing a ministry call. Preference will be given, however, to those ages 20-28. While not a requirement, some college experience would be beneficial.

07 Other Employment

Due to the nature of the intern program, we ask that interns do not work at an additional job while in the program. The internship requires many late hours and sometimes last minute requests that may conflict with an intern's ability to work a second job.

08 Internship Calendar (10 months)

Fall: 9/1/2018 through 12/15/2018

Spring: 1/2/2019 through 7/31/2018

09 Optional Summer Add-on: 6/1/18 through 8/3/18

This would be an extension of the 10-month program and would be completed at the end of the ten-month internship (following the spring semester). These are approved on a case-by-case basis.

10 Medical Insurance

Medical insurance will be required. Interns will be responsible for their own medical insurance while participating in the Bethel Internship Program. (Assistance may be available on a case-by-case basis to help purchase insurance).

11

Expectations

Interns are expected to abide by the Bethel membership covenant (though NOT expected to join church membership) and embrace our Bethel Values. See this form for more details: ([click here](#))

SELECTION PROCESS

Submit

1

- A short video (two minutes or less) introducing yourself
- Completed application
- Pastor Recommendation letter

Interviews

2

- Selected students will participate in one interview (face-to-face or video) with the selection team
- If recommended for final selection, students will be asked to complete a background check (paid by Bethel) before final acceptance

Recommendation

3

- Students will know within ten days of the interview if they have been selected or if additional information is needed
