

To ensure your giving is not deducted from your account twice, you will need to **DELETE** your recurring giving in BethelConnect **BEFORE** you set up giving within the new tool. The best way to do this is by following these steps:

- Log in to your BethelConnect account
- Click on “Your Giving”
- Select the “Schedules” tab
- Click on the name of your scheduled giving
- Click “Delete this schedule”

To set up your new recurring donations follow these three simple steps:

- Go to <https://bethelchurch.onlinegiving.org>
- Create a login. Once you have reached the onlinegiving.org page, you can log in with a Google account, your Facebook page, or through F1. You may also simply use the BethelConnect login of your email and password. Another option is to click the Sign Up button to create your account.
- Set up your recurring giving

Please transition your recurring online giving before May 20, 2018 since we will be closing our account with our former processor.

Our hope is to provide a better giving experience for everyone. Please contact Leslie Henrikson at leslie.henrikson@bethel-church.org if you have questions or need assistance. Thank you for your patience as make this transition.
